

**October 2021**

Hello Everyone,

What a great start back to Nursery we have had!

All the children have settled in and are getting used to the routines in Nursery and Toddler room.

The children are enjoying this weeks Halloween theme, exploring the pumpkins and mini squashes and making spells in the 'cauldrons' .

The children have enjoyed our farm theme at the beginning of term especially painting the boxes to make a tractor.

We looked at different fruits from the story 'Handas Surprise' feeling and tasting mango, passion fruit, avocado and mango.

Stay and Play will be up and running again after half term : Wednesday afternoons in Toddler room 1.15 pm till 2.45 pm, all welcome 0-4 years and their parent/carer, Sally and Lynsey will be delivering this family session. ( See attached poster)

Requests from staff : Please can you ensure there is no food in your child's bag, we have children with allergies in the setting. Also please ensure your child doesn't come into Nursery finishing off their breakfast this could be dangerous for children with allergies.

Please can you leave bottles of squash at home! We supply milk and water on government guidelines for healthy lifestyles, if there is a health issue / reason please talk to a member of staff.

Please can you encourage children to leave toys at home! We will be asking children to put anything from home in a 'Safe basket/box' ( apart from comfort items ) .

Lastly please let us know if your contact details have changed, we will be sending out update forms for any changes.

From Lyn and all the team!

## Ideas For Supporting Your Child At Home;

- \* Look at signs of autumn collect leaves and conkers.
- \* Encourage independence, putting their own coat and shoes.
- \* Read lots of stories together.
- \* Talk about what day it is and what you will do tomorrow , what you did yesterday ( see if your child can teach you the 'days of the week' song )

We love to hear what you have been up to at home, feel free to tell members of staff any events, trips or occasions. It's a great way for us to connect with your child and

### Uniform....

If you would like to purchase uniform you can do so from SK uniforms in Riverside. Did you know we have a "Nearly New" uniform box? You can purchase jumpers cardigans and polo t-shirts at a fraction of the cost of a new one! All funds raised go towards nursery resources.

**Our nursery policies are kept in the lobby and some are pinned up on the parent notice board. If you would like a copy emailed to you or printed please let Lyn know.**

## Please Remember

- ◇ **Label ALL belongings (It's much easier for us to return if we know they are yours )**
- ◇ **Encourage your child to leave toys etc. at home (with the exception of soothers etc. for settling)**
- ◇ **Let us know if your child has had or is taking any medication including pain relief.**
- ◇ **Let us know if your child has had any injury before coming to nursery.**
- ◇ **Let us know if your child is not coming in to nursery and why.**
- ◇ **Let us know about any concerns you have- we can only improve if you tell us.**
- ◇ **Please note that there is NO parking on the school site.**
- ◇ **Please only send a spare change of clothes/ nappy etc in their bag ( no medicine, food, drink or anything hazardous)**

## WE ARE ON THE HUNT AGAIN!

**We need dedicated parents to become part of our committee!**

**Speak to Lyn for an information pack.**
